SIR,

In forwarding herewith for favour of perusal copy of letter No. 184/F. 10 dated 5th February 1921 from the Superintendent Bangalore Central Jail, I have the honor to state that on account of insufficient accommodation for Undertrial prisoners whose number is increasing day by day consequent on the separation of Judicial and Executive functions of the magistracy. Undertrial prisoners are confined in Barracks where only convicted prisoners are allowed to be confined, which is contrary to rules in force. To avoid this irregularity, therefore the Superintendent suggests that a separate Lock-ups may be constructed exclusiv-ly for Undertrial prisoners.

I therefore request you will be so good as to obtain early orders of Government for the construction of a separate block of buildings for confining Undertrial prisoners pending the construction of a new Central Jail at Bangalore.

I have the honor to be,

11 FEB 1921

Letter No. 184/F.10 dated 5th February 1921 from the Superintendent Bangalore Central Jail, to the Inspector-General of Prisons in Mysore Bangalore.

-@-@-@-@-@-@-

In inviting reference to my letter No. 1069/F. 10 dated 13th August 1920 in respect of the necessity for constructing a separate Lock-up in Bangalore for the sole use of Undertrial prisoners, I have the honor to state that, since the separation of the Judicial and Executive functions, the number of Undertrial prisoners which is being remanded to this Jail has considerably increased as shown in the margin, so much so a large number of these prisoners is now being kept in one of the convicts' barracks within the main Jail, as there is no sufficient accommodation for them in the Undertrial Ward.

Daily average number of Undertrial prisoners confined in the Bangalore Central Jail before the separation of the Judicial from the Executive is	27
do do do is	119
Since the separation of the same.	

2. Apart from the insufficiency of accommodation in the Jail, I think it to be highly objectionable to keep the unconvicted persons in an institution solely meant for incarcerating convicted criminals Persons only suspected of guilt should on no account be sent to a Jail, until and unless they are proved guilty in a court of justice.

3. I beg to suggest therefore, that the question of constructing a separate Lock-up in Bangalore for undertrial prisoners be taken up immediately for execution and need not be deferred till the construction of a new Jail. I request that you will kindly move the Government to accord sanction to the construction of a lock-up for Undertrial prisoners.
